WINE LIST

MIA'S WINE INITIATIVE

'MWI'

Note From Our Chefs,

Welcome to Mia, **our humble home**. We, Chef Michelle and Chef Top, are deeply grateful for your presence and the time you've taken to dine with us — **Thank You**.

While our primary focus may seem to be in the kitchen, as managing partners of Mia, we've always sought to infuse our philosophy throughout the **entire** dining experience, including our beverage program.

At Mia, we've approached our beverage program with the same creativity and care we bring to our cuisine.

And thus, we are excited to introduce you to the **Mia Wine Initiative (MWI)**.

What is the Mia Wine Initiative?

'**MWI**' reflects one of our core inspirations: **our people**.

We believe in **collective creativity**, and with that in mind, we've made the decision to involve our entire team in curating our beverage offerings.

The Mia Wine Initiative is a fully **democratised process**, where senior management collaborates and votes on every element of our wine / beverage program.

Every voice carries equal weight—whether it's the non alcoholic beverages we brew, the wine glasses we choose, or even the water vessels we serve from.

Everything you experience in our beverage program is **elected**, not selected by a single individual.

How does it work? Simple, one team member would **initiate** a pairing then it would have to be voted **unanimously** before being added to our wine program.

This initiative is a testament to our commitment to **staff empowerment** and professional growth, mirroring the values of Chef Michelle and Chef Top uphold in the kitchen.

We've been thrilled to see our team embrace this responsibility with such passion and enthusiasm.

With Gratitude,

#ThePeopleofMia

About 'OUR' wine list

- At the heart of our wine program is a simple yet profound idea: wine should be a source of simple enjoyment. With that in mind, we've crafted a wine list that celebrates the diversity of styles, regions, and producers. From beloved classics to exciting new discoveries, our selections are carefully chosen to offer a broad spectrum of experiences.
- We take great pride in showcasing wines from iconic producers who have shaped the history of winemaking, alongside emerging vintners who are pushing the boundaries of the craft.
- Our list spans from the timeless Old World vineyards to the innovative New World, offering everything from time-honored grapes to experimental blends. Whether you prefer bold, structured reds or delicate, aromatic whites, we strive to have something for everyone.
- Our wine philosophy is centered on accessibility and exploration. Wine is meant to be enjoyed, shared, and discovered. We've curated our selection with that belief at the core, ensuring that no matter your preference or budget, there's a wine here for you to savor and appreciate.

We hope our list invites you to explore and experience the vast, rich world of wine as we do—with curiosity, joy, and an open mind. As always, you will find some of our Team's favourite with our signature butterfly logo next to the elected bottles.

More Understanding our wine list with symbol

Ⓥ =Vegan wine is wine made without animal products ; egg / fish / milk / beeswax

Ⓞ =Organic wine is wine made from grapes grown in organic farming, which excludes the use of artificial chemical fertilizers, pesticides, fungicides and herbicides

ⓑ =Biodynamic wine is wine has been made with 100% organically grown ingredients and that the entire ecosystem, from the soil to the moon, was factored in to the winemaking process, absence of sulfites means a shorter shelf life and limited aging abilities

Ⓢ =Sustainable wine is wine made with the environment, social responsibility, economic viability, and high quality in mind. Your sustainable wine is likely not made with 100% organically grown ingredients and may very well have some additives, such as sulfites, to ensure a longer shelf life and more robust flavors that come with aging

Ⓝ =Natural wine is wine growing or winemaking processes without chemical intervention. It is 100% grape and only hand-harvested. Each natural wine is as unique as its terroir and fermentation techniques.

Ⓜ = This symbol represents the fruitful selection of our team—the full expression of the 'MWI.' These bottles are personal favorites of our team members, from the chefs to our senior floor staff. Try your hand at guessing who picked what!
